

TO ALL TPFCU MEMBERS

Notice of Acclamation

In accordance with the bylaws of The People's Federal Credit Union, the credit union is not required to hold a formal ballot election for its open Board of Directors positions if the number of nominees equals the number of positions open.

A call for board nominations was distributed to the membership in the Winter 2021 Newsletter, distributed in January, and the only nominations received by the February 2nd, 2020 deadline were from three current board members vying for the three open positions. TPFCU bylaws do not allow nominations from the floor at the Annual Meeting; therefore, at the 68th Annual Meeting on Tuesday, March 23rd, 2021, the following directors will be elected by acclamation:

Sam Gaffney
3-Year Term Open

Aaron Soto
3-Year Term Open

Todd Cummins
3-Year Term Open

The profiles of the three nominees may be viewed on the reverse side of this page.

2021 TPFUCU Board of Directors Nominees

Sam Gaffney (3-Year Open Term)

Mr. Gaffney is retired from Mason & Hanger Corp. (Pantex Plant) after 40 years, with varying and increasing roles of supervisory and managerial responsibilities. He has a BBA and MBA in Management from West Texas A&M University. Mr. Gaffney has been a member of The People's Federal Credit Union for approximately 60 years, serving 18 years as a Credit Union Representative at Pantex Plant and 39 years as a member of the Board of Directors. He wants to continue to represent all members of the Credit Union and ensure that policies and procedures are in place to protect member interests and promote features which enhance our position as a full-service financial institution.

Sam desires to see the Credit Union continue to grow and prosper, and that adequate facilities are available to support that growth.

Aaron Soto (3-Year Open Term)

Mr. Soto is a web designer and founder of Sueño Co. He has a BA in International Business Administration from West Texas A&M University and experience as both President and Treasurer of Omega Delta Phi fraternity. He also serves on the Elevate Amarillo marketing committee, a young professionals group. Mr. Soto has served on the Supervisory Committee for People's. He now serves on the Asset-Liability Committee (ALCO) and has served three years on the Board of Directors.

Aaron has gained valuable knowledge of credit union operations while serving the People's Federal Credit Union and he hopes to continue to bring a fresh perspective and innovative energy in service to our organization.

Todd Cummins (3-Year Open Term)

Mr. Cummins is currently the Lead Land Representative for NextEra Energy and the Chairman of Deacons at the First Baptist Church in Childress. As a result of working with the Department of Public Safety, from which Mr. Cummins is retired, First Baptist Church, Little League District 1 Texas West Division, and his local Crime Stoppers Chapter, he has numerous years of experience in dealing with budget and finance operations with long reaching impacts. Mr. Cummins holds a bachelor's degree in Psychology with a minor in Sociology from Texas Tech University.

Todd wants to assist the Credit Union with maintaining a people friendly environment which holds the best interest of members, community, and the Credit Union. He hopes to build on those existing good relationships within the communities the Credit Union serves.
